RE: Public Service Commission of South Carolina - Administrative and Procedural Matters
Docket No. 2005-83-A

Procedural Schedule for the Integrated Resource Plans (IRP's) Filed with the Public Service Commission
Docket No. 2022-162-E

Dear Ms. Boyd:

At the workshop held December 12, 2022, in the above-referenced dockets, the South Carolina Office of Regulatory Staff ("ORS") stated it would advise the Public Service Commission of South Carolina ("Commission") Staff regarding its position on the Commission Staff's alternative proposed procedural schedules for Duke Energy Carolinas, LLC ("DEC") and Duke Energy Progress LLC's ("DEP") 2023 Integrated Resource Plans discussed at the workshop by the Chief Clerk. The alternative schedules for DEC and DEP, as well as alternative schedules for Dominion Energy South Carolina ("DESC") and South Carolina Public Service Authority ("Santee Cooper"), were posted to DMS following the workshop. ORS has reviewed the proposed procedural schedules and does not object to the Commission Staff's alternative proposed procedural schedules for DEC and DEP. While ORS continues to support its previous scheduling recommendations for DESC and Santee Cooper, ORS also does not object to the alternative proposed procedural schedules proposed by Commission Staff for DESC and Santee Cooper.

Thank you for the opportunity to comment and for the Commission Staff's ongoing efforts to develop and establish effective procedural schedules.

Sincerely,

/s/ Alexander W. Knowles
